Re: **Manwin Licensing International, S.A.R.L. v. Internet Corporation for Assigned Names and Numbers; Case No. 50 117 T 00812 11**

Dear Ms. Cardenas,

The parties have met and conferred and agree as follows:

1. Internet Corporation for Assigned Names and Numbers ("ICANN") will have an additional 60 day extension, to April 13, 2012, to file its responsive statement.
2. The date by which the parties will nominate their panelist candidates will likewise be extended by 60 days, to April 30, 2012. The parties are still discussing whether they will nominate their panelists simultaneously or in a particular order, and whether they will agree in advance that the nominated panelists must satisfy certain criteria. The parties will advise you of their further agreement, or need for additional guidance from the Centre, on such issues.

Sincerely,
