

Proposed Cooperative Engagement Process – Requests for Independent Review  
Draft as of 26 October 2012

As specified in Article IV, Section 3 of the ICANN Bylaws, prior to initiating an independent review process, the complainant is urged to enter into a period of cooperative engagement with ICANN for the purpose of resolving or narrowing the issues that are contemplated to be brought to the IRP. It is contemplated that this cooperative engagement process will be initiated prior to the requesting party incurring any costs in the preparation of a request for independent review. Cooperative engagement is expected to be among ICANN and the requesting party, without reference to outside counsel.

The Cooperative Engagement Process is as follows:

1. In the event the requesting party elects to proceed to cooperative engagement prior to filing a request for independent review, the requesting party may invoke the cooperative engagement process by providing written notice to ICANN at [independentreview@icann.org], noting the invocation of the process, identifying the Board action(s) at issue, identifying the provisions of the ICANN Bylaws or Articles of Incorporation that are alleged to be violated, and designating a single point of contact for the resolution of the issue.
2. The requesting party must initiate cooperative engagement within fifteen (15) days of the posting of the minutes of the Board (and the accompanying Board Briefing Materials, if available) that the requesting party's contends demonstrates that the ICANN Board violated its Bylaws or Articles of Incorporation.
3. Within three (3) business days, ICANN shall designate a single executive to serve as the point of contact for the resolution of the issue, and provide notice of the designation to the requestor.
4. Within two (2) business days of ICANN providing notice of its designated representatives, the requestor and ICANN's representatives shall confer by telephone or in person to attempt to resolve the issue and determine if any issues remain for the independent review process, or whether the matter should be brought to the ICANN Board's attention.
5. If the representatives are not able to resolve the issue or agree on a narrowing of issues, or a reference to the ICANN Board, during the first conference, they shall further meet in person at a location mutually agreed to within 7 (seven) calendar days after such initial conference, at which the parties shall attempt to reach a definitive agreement on the resolution of the issue or on the narrowing of issues remaining for the independent review process, or whether the matter should be brought to the ICANN Board's attention.
6. The time schedule and process may be modified as agreed to by both ICANN and the requester, in writing.

If ICANN and the requestor have not agreed to a resolution of issues upon the conclusion of the cooperative engagement process, or if issues remain for a request for independent review, the requestor's time to file a request for independent review designated in the Bylaws shall be extended for each day of the cooperative engagement process, but in no event, absent mutual written agreement by the parties, shall the extension be for more than fourteen (14) days.

Pursuant to the Bylaws, if the party requesting the independent review does not participate in good faith in the cooperative engagement process and ICANN is the prevailing party in the independent review proceedings, the IRP panel must award to ICANN all reasonable fees and costs incurred by ICANN in the proceeding, including legal fees. ICANN is expected to participate in the cooperative engagement process in good faith.
