Section I: General Overview and Next Steps			
The contributions received will be reviewed and considered by the Security, Stability & Resiliency of the DNS Review Team (SSR RT). In light of this input, the Review Team intends to publish a final report and recommendations by the next ICANN meeting (June 2012).			
Section II: Contributors			
<p><i>At the time this report was prepared, a total of 12 community submissions had been posted to the Forum. The contributions came from two organizations/groups, listed below in chronological order by posting date with initials noted. To the extent that quotations are used in the narrative (Section III), such quotations will reference the contributor's initials.</i></p>
