Section I: General Overview and Next Steps			
<p>The Interim report includes the issues and recommendations for interpreting current policy and guidelines pertaining to obtaining and documenting consent for delegation and redelegation of ccTLD's. In the Interim report specific recommendations are outlined based on a thorough analysis of the issues involved, and all publicly available documentation of delegation and redelegations of ccTLD's cases involving consent of ccTLD maangers.</p> <p>The Working expects to finalize and publish its Final Report prior to the next ICANN meeting in San Jose, Costa Rica.</p>
