RE: Appointment of Decisional Participant representatives to the Empowered Community Administration

Mary -

I am presently the ASO representative to the Empowered Community Administration.

In 2018, Paul Wilson will become the Chair of the Number Resource Organization, and under our present interim Empowered Community procedures would become the ASO representative to the Empowered Community Administration for 2018. We are in midst of reviewing these interim procedures and incorporating feedback received from their use and community discussions, and it is possible that they may change between now and year-end.

In any case, we will keep ICANN informed of our chosen representative to the Empowered Community Administration via timely notification of any changes.

Thanks!

/John
