It's out to the client. Please shoot me what you intend to send to ICDR and the panelist. Thanks.

Subject: Resolution of Donut's emergency application re .rugby, .sports and .ski

John:

Per our call just now, ICANN agrees that, in return for Donuts withdrawing its emergency request for a stay, ICANN will agree to a stay with respect to .rugby, .sports, and .ski. The stay will remain in effect for the life of the IRP that Donuts has filed, and ICANN will not ask Donuts to re-file an emergency request for a stay once the full panel is constituted.

Please confirm our agreement, at which point I will contact the ICDR and Mr. Klitgaard.

Thanks.
